

October 20, 2011

Unemployment Rate Edges Down to 9.1%; Uptick in Private Sector Employment

Figure 1

The seasonally adjusted unemployment rate for Arizona dropped two tenths of a percentage point from 9.3% in August to 9.1% in September while the U.S. unemployment rate remained unchanged at 9.1% for the third consecutive month. In September 2010 the U. S. rate was 9.6% and Arizona's rate was 9.8% (see figure 1).

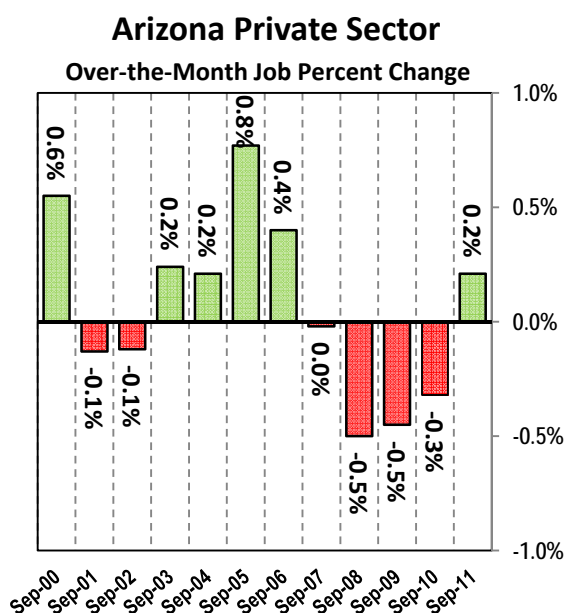

Total Nonfarm employment increased by 26,100 jobs over the month in September. Both the Private Sector (+4,100) and Government (+22,000) posted gains. The last time the Private Sector posted job gains in September was in 2006 (see figure 2). The Private Sector gains were well above the ten-year ('01-'10) average gain of 300 jobs. Similar to the previous month, Government led all sectors in job gains by a wide margin. Job gains in Government were primarily seasonal from continued back-to-school hiring in Local (+19,600)

Arizona, U.S. Economic Indicators

Figure 2

and State (+5,200) Public Education, with losses in Federal (-400) and non-education Local Government offsetting some of the gains. Over-the-month job gains in Government were in line with the ten-year ('01-'10) average (+21,700) for this sector.

Over the month, five of the eleven major sectors added jobs while six sectors lost jobs (see figure 3).

Construction (+3,700) had the next highest job gains after Government. The last time Construction posted job gains in September was in 2005 when the sector added 2,200 jobs. Construction job gains were led by Specialty Trades (+3,000). The ten-year ('01-'10) September average for Construction was a loss of 1,500 jobs. Construction has added

jobs seven consecutive months with a net gain of 9,800 jobs for 2011.

Figure 3

Leisure and Hospitality (LH) added 1,900 jobs, moderately above the sector's ten-year ('01-'10) September average (+1,600). Food Services and Drinking Places within LH gained the most (+1,600), followed by Arts, Entertainment and Recreation (+1,500) with offsetting losses in the Accommodation industry (-1,200).

The Educational and Health Services sector added jobs in Educational Services (+1,800) while losing 100 jobs in Health Care for a net gain of 1,700 jobs. Similar to State and Local Public Education, the private education institutions within the Educational Services industry experienced mostly seasonal back-to-school job gains. Social Assistance was flat for the month.

Job gains in Retail Trade (+1,400) accounted for most of the gains in the Trade, Transportation, and Utilities (+1,600) sector. Wholesale Trade was flat over the month. Utilities lost 100 jobs while the Transportation and Warehousing industries added 300.

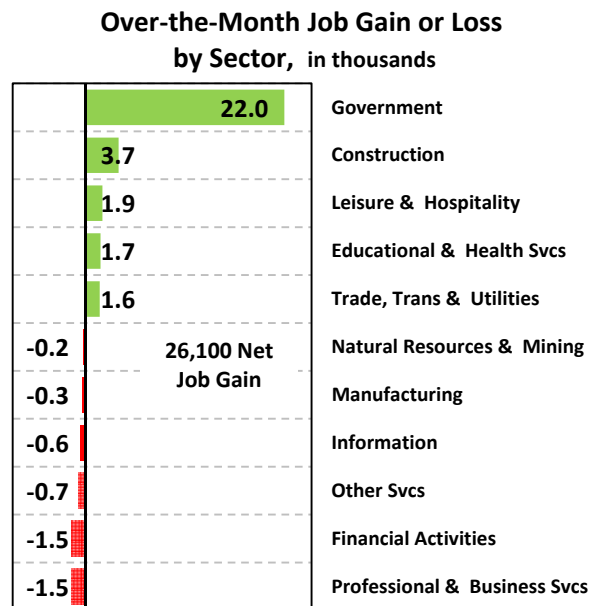

Professional and Business Services had a loss of 1,500 jobs. A majority of these losses were in Professional and Technical Services (-1,300). Administrative and Support and Waste lost jobs (-300) in spite of job gains in Employment Services (+900) and Business Support Services (+200) subsectors.

The Financial Activities sector had a decrease of 1,500 jobs. These over-the-month job losses were greater than the ten-year ('01-'10) average loss of 300 jobs and occurred across all reported subsectors with Credit Intermediation (-500) and Real Estate and Rental and Leasing (-600) having the largest reductions.

Other Services lost 700 jobs. This sector had job losses in contrast to the ten-year ('01-'10) average of +200 jobs. This is the second consecutive month for this sector to have above average losses compared to the ten-year ('01-'10) average.

Information had a loss of 600 jobs, slightly more than the ten-year ('01-'10) average decline of 500. The only reported subsector, Telecommunications, reported a loss of 100 jobs. The remaining employment reductions occurred in the unreported Information subsectors.

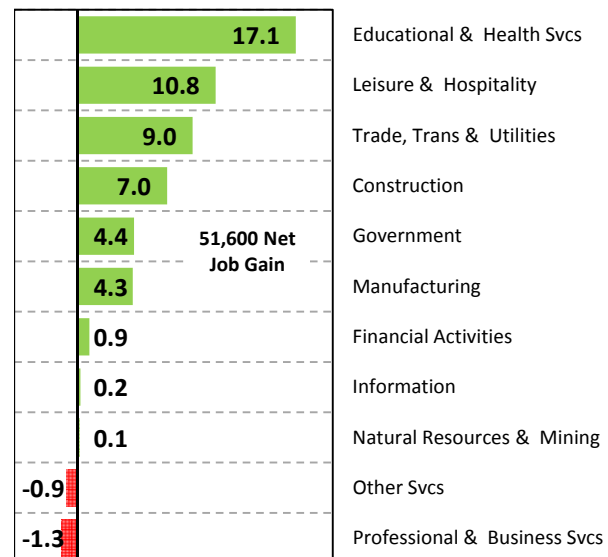

Manufacturing lost 300 jobs in the subsectors of Computer and Electronic parts (-100) and Nondurable Goods (-200). All other reported Manufacturing subsectors had unchanged

employment levels. Natural Resources and Mining lost 200 jobs. These employment reductions were in Metal Ore Mining.

Figure 4

**Over-the-Year Job Gain or Loss
by Sector, in thousands**

Over-the-year changes

Over the year, total nonfarm employment increased by 51,600 or 2.2%. Gains were observed in all but two sectors (see figure 4). Educational and Health Services EHS added the most jobs over the year with a gain of 17,100. Health Care accounted for 13,700 of the job gains in EHS. Educational Services added 2,600 and Social Assistance 800 jobs.

The next largest over-the-year increase was in Leisure and Hospitality (LH) with 10,800 jobs added. Food Services and Drinking Places added 7,300 of the jobs in LH. Trade, Transportation and Utilities added 9,000 jobs. Transportation and Warehousing added 3,800 of the TTU jobs. Wholesale Traded gained 1,100 and Retail Trade 4,500 jobs over the year.

Construction had a net gain of 7,000 jobs over the year. This is the third month in a row that Construction has been positive over the year. Prior to the last three months, the last time Construction was positive over the year was December 2006. All of the gains were in Specialty Trades (+7,800) with losses in Heavy Construction (-600) and Construction of Buildings (-200) offsetting some the gains.

Government added 4,400 jobs, mostly from gains in Local Public Education (+5,600) with other non-education government losses offsetting some of the gains. Gains of 600 jobs were observed in Federal Government and 1,100 jobs in State Government, mostly in State Education.

Manufacturing added 4,300 jobs. Within Manufacturing the Durable Goods industries added 3,100 jobs and Nondurable Goods added 1,200. Financial Activities gained 900 jobs for the year. Information (+200), and Natural Resources and Mining (+100) both had small gains over the year.

Professional and Business Services (-1,300), and Other Services (-900), were the only two sectors where over-the-year losses were observed. The losses in PBS were in the Administrative and Support and Waste (-2,300), including Services to Buildings and Dwellings (-2,100) and Employment Services industries (-600). Remaining industries within this sector posted small job gains.

Summary

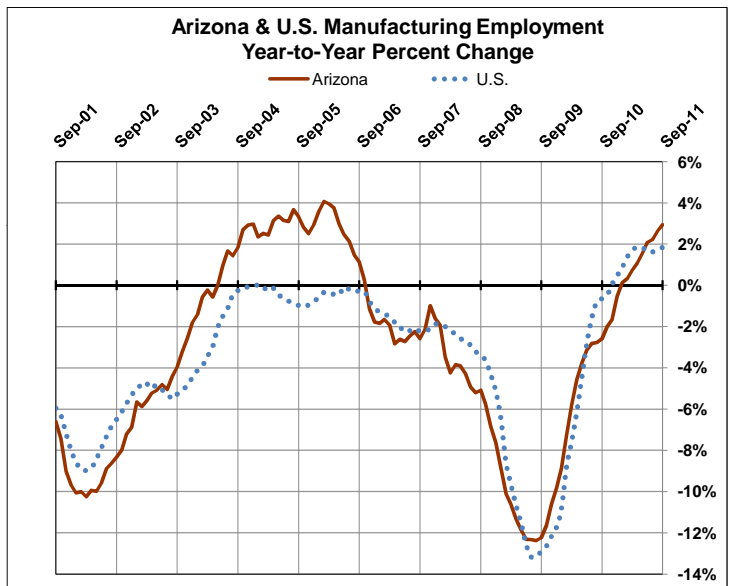

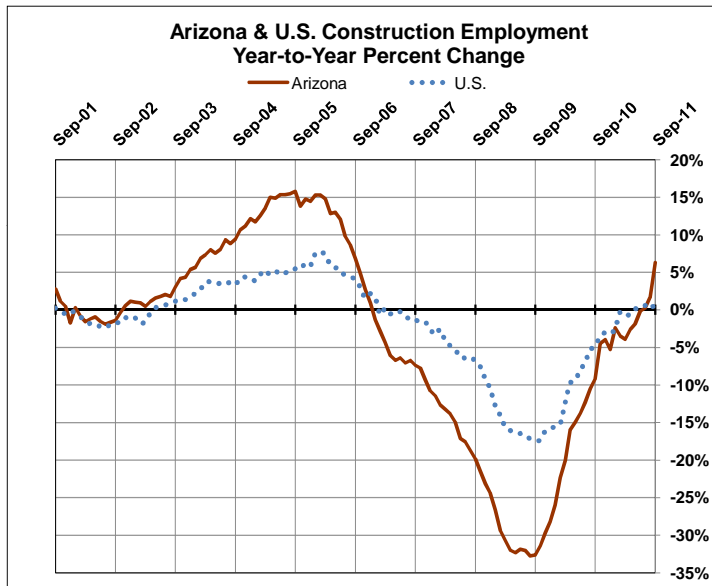

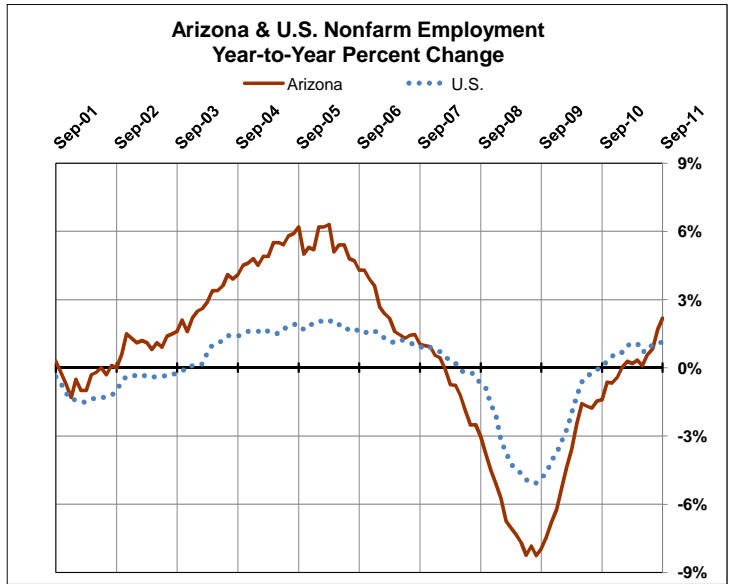

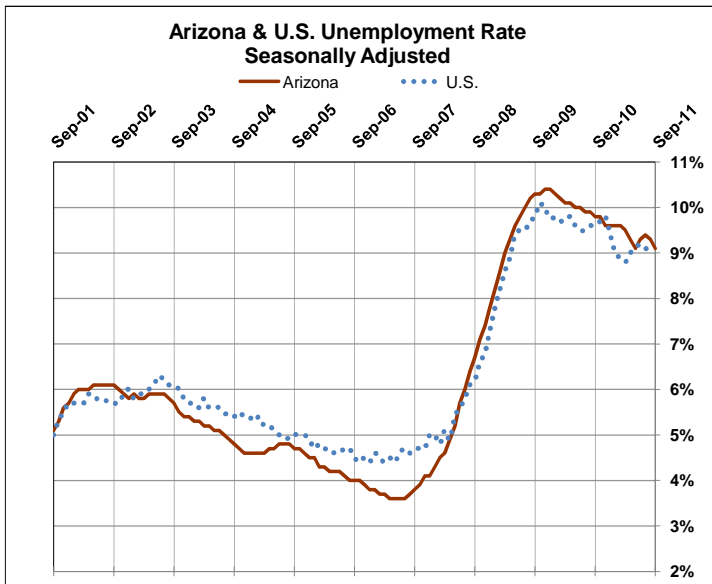

The Arizona seasonally adjusted unemployment rate dropped two-tenths of a percentage point from 9.3% in August to 9.1% in September. The U.S. rate remained unchanged at 9.1% for the third month in a row. Total Nonfarm employment in Arizona gained 26,100 jobs for the month. Both the Private Sector (+4,100) and Government (+22,000) posted gains. This is the first time in September that the Private Sector posted job gains since 2006. Five of the eleven major sectors gained jobs while six lost jobs over the month. Government (+22,000) led all sectors for gains, with most of the gains in Local Public Education (+19,600). The 5.5% gain in Government was about the same as the 2001-2010 September average and primarily seasonal from continued back-to-school hiring in Local and State Public Education.

Construction followed Government in job gains adding 3,700 jobs, above the 2001-2010 September average of -1,500 jobs. Specialty Trades contributed 3,000 of the job gains within Construction. For seven consecutive months this year, Construction has added jobs. The net gain for first nine months of 2011 is 9,800 jobs. This is the first time in September that the Construction sector has posted job gains since 2005.

Leisure and Hospitality (LH) gained 1,900 jobs, which was above the ten-year (2001-2010) average for the month (+1,600). Food Services and Drinking Places within LH gained the most (+1,600), followed by Arts, Entertainment and Recreation (+1,500) with offsetting losses in the Accommodation subsector (-1,200). Educational and Health Services gained 1,700 jobs. Gains of 1,800 in Educational Services were offset by a slight loss of 100 jobs in Health Care and Social Assistance. Trade, Transportation and Utilities added 1,600 jobs with most of the gains coming from Retail Trade (+1,400).

Over the year total nonfarm employment was up 51,600 jobs or 2.2%. Gains were observed in all but two sectors. Most of the gains were from Educational and Health Services (+17,100), Leisure and Hospitality (+10,800), Trade, Transportation and Utilities (+9,000), Construction (+7,000), Government (+4,400) and Manufacturing (+4,300).

About This Publication

Arizona's Workforce is published 14 times a year by the State of Arizona Office of Employment and Population Statistics — 12 times as the monthly Employment Report and twice a year as a two-year Forecast Report. Research Center is the state agency responsible for labor market information and demographic data for the state of Arizona.

Material published in *Arizona's Workforce* is in the public domain and can be reproduced without further permission. Appropriate citations are requested.

Next Releases:

— Equal Opportunity Employer/Program —

Under Titles VI and VII of the Civil Rights Act of 1964 (Title VI & VII), and the Americans with Disabilities Act of 1990 (ADA), Section 504 of the Rehabilitation Act of 1973, and the Age Discrimination Act of 1975, the Department prohibits discrimination in admissions, programs, services, activities, or employment based on race, color, religion, sex, national origin, age, and disability. The Department must make a reasonable accommodation to allow a person with a disability to take part in a program, service or activity. For example, this means if necessary, the Department must provide sign language interpreters for people who are deaf, a wheelchair accessible location, or enlarged print materials. It also means that the Department will take any other reasonable action that allows you to take part in and understand a program or activity, including making reasonable changes to an activity. If you believe that you will not be able to understand or take part in a program or activity because of your disability, please let us know of your disability needs in advance if at all possible. To request this document in alternative format or for further information about this policy, contact the Department of Economic Security, Division of Developmental Disabilities ADA Coordinator at 602 542-6825 ; TTY/TDD Services: 7-1-1.
